Winner of 1<sup>st</sup> place in one of the toughest one loft race series on earth against 2,624 pigeons from the distance of 505 km (315 miles) and 90 degree temperatures. This takes a special racing pigeons.

DOC HOLIDAY has the winning genetics throughout his pedigree along with that special smart look, strong body, one pin tail, super muscle and very soft feathers. For me, he is the perfect breeding male that raced and won against the best racing pigeons from around the world. He will make a big impact in my breeding loft for many years to come.
